

MARINE SPECIES SIGHTING REPORT

The Marine Biology Section of La Société Guernesiaise and the Guernsey Biological Records Centre would appreciate your help in collecting records in order to build up a picture of how a variety of wildlife use our waters and how significant our seas are for them. If you sight any of the species below, please fill in this form and either send it to the Guernsey Biological Records Centre, Old Tobacco Factory, La Ramée, St Peter Port, GY1 2ET or scan and email it to gsybiorec@cwgsy.net or marinebiology@societe.org.gg.

Species seen:

		Tick if appropriate	Number seen
Cetaceans	Common Dolphin	<input type="checkbox"/>	<input type="text"/>
	Bottle-nosed Dolphin	<input type="checkbox"/>	<input type="text"/>
	Risso's Dolphin	<input type="checkbox"/>	<input type="text"/>
