

## MARINE SPECIES SIGHTING REPORT

The Marine Biology Section of La Société Guernesiaise and the Guernsey Biological Records Centre would appreciate your help in collecting records in order to build up a picture of how a variety of wildlife use our waters and how significant our seas are for them. If you sight any of the species below, please fill in this form and save a copy with your changes, then email to esweet@biologicalrecordscentre.gov.gg. Alternatively you can post it to Guernsey Biological Records Centre, Tourist Information Centre, North Plantation, St Peter Port, GY1 2LQ
